## SEPARATION FROM SERVICE FOLLOWING RETIREMENT SUMMARY

Sonoma County Employees' Retirement Association

Tel: (707) 565-8100 / Fax: (707) 565-8102 / www.scretire.org

If you return to work, either as an employee or an independent contractor, for a SCERA-covered employer following your retirement from SCERA, you and the employer need to ensure your return to work complies with retirement and tax law during the entire course of your employment. California retirement law and federal tax law provide specific return to work restrictions and consequences for retirees who return to work in the same public retirement system from which they receive a benefit. Strict penalties may be imposed on a retiree who does not satisfy these requirements. The following is a summary of those restrictions.

### All Members

- 960 Hour Limit: Following any required break in service, retirees may continue to receive their retirement benefit if their extra help employment with a SCERA-covered employer is limited to 960 hours per fiscal year (July 1 to June 30).
- Return to Work after Receiving Unemployment Insurance: A California public agency is prohibited from appointing a retiree if, during the 12-month period before an appointment, the retiree received unemployment arising out of California public employment.
- All members must have a **180-day**<sup>1</sup> break in service. This restriction may be waived by the Board of Supervisors (or governing body) following your retirement date if you have special skills needed to perform work of a limited duration. If this requirement is not met, there is a plan violation and your retirement benefit payment will be suspended, and benefits already paid must be repaid, until there is a 180-day break in service.
- All members under the age of **59 ½** cannot have an agreement or understanding prior to retirement regarding your return to work.

### General Members with a retirement age of 58 to 59½ or Safety Members with a retirement age of 50 to 59½

- **180-day**<sup>1</sup> break in service as described above.
- **60-day**<sup>2</sup> break in service following retirement, which cannot be waived.
- If the **60-day**<sup>2</sup> requirement is not met, pension payments are subject to a 10% early distribution penalty by the Internal Revenue Service (IRS) and are subject to state tax penalties until the requirement is met. The retiree is responsible for paying these penalties.

### General Members with a retirement age less than 58 or Safety Members with a retirement age less than 50

- **180-day**<sup>1</sup> break in service as described above.
- **60-day**<sup>2</sup> break in service, which cannot be waived.
- If the **60-day**<sup>2</sup> requirement is not met pension payments are subject to early distribution tax penalties, as noted above, and there is a plan violation and benefits will be suspended, and benefits already paid must be repaid, until there is a 60-day break in service.

This Summary was prepared to help retirees understand issues surrounding return to work for a SCERA-covered employer. The information is necessarily general and not exhaustive and SCERA encourages any retiree seeking to return to work as an independent contractor or employee of a SCERA-covered employer to discuss these requirements with the proposed employer. You should not rely solely on the information contained in this Summary. SCERA cannot provide tax advice. If you have tax questions, you may want to seek the advice of a tax professional. If there is any discrepancy between information in this Summary and legal requirements under State or Federal law, the law will govern.

<sup>1</sup>For the **180-day** break in service, the following classifications are considered **Safety**: Firefighter or positions that qualify as a "Public Safety Officer" pursuant to Government Code section 3301 (which includes Deputy Sheriff, Correctional Deputy, Welfare Fraud Investigator, DA Investigator, Probation Officer, and Park Ranger). All other classifications, including Human Services Juvenile Correctional Counselors, are considered **General**. Note: this is different than the SCERA plan classifications.

<sup>2</sup>For the **60-day** break in service, General and Safety designations follow SCERA's plan classifications.

## BENEFIT PAYMENT OPTIONS

Sonoma County Employees' Retirement Association  
 433 Aviation Boulevard, Suite 100, Santa Rosa, CA 95403  
 Tel: (707) 565-8100 / Fax: (707) 565-8102 / www.scretire.org

At the time you retire, you will make an irrevocable election of one of the following benefit payment options. The various options determine the amount of your benefit during your lifetime and whether any benefits will be payable to your beneficiary upon your death. You may not change your option choice after retirement, even if your life situation changes.

Option	Member Benefit	Eligible Beneficiary	Survivor Benefit <sup>1</sup>	Beneficiary Changes Allowed?
Unmodified	Highest benefit available	Eligible spouse or state registered domestic partner <sup>2</sup>	60% continuance of member's benefit for life	No
		Minor child(ren) <sup>3</sup>	60% continuance of member's benefit until child reaches majority	No
		Any named beneficiary(ies)	Lump-sum payout of remaining contributions and interest, if any contributions remain	Yes
Option 1	Reduced benefit	Any named beneficiary(ies)	Lump-sum payout of remaining contributions and interest, if any contributions remain	Yes
Option 2	Most reduced benefit	Any named beneficiary <sup>4</sup>	100% continuance of the member's reduced benefit for lifetime of beneficiary	No
Option 3	Reduced benefit	Any named beneficiary	50% continuance of the member's reduced benefit for lifetime of beneficiary	No
Option 4	Reduced benefit	Any named beneficiary(ies)	May designate a specific percentage of lifetime continuance to be paid to each of your beneficiary(ies). Costs associated with calculating the benefit will be borne by the member.	No

<sup>1</sup>A continuance terminates upon the death of the eligible surviving spouse, state registered domestic partner, or named beneficiary. Surviving minor children are eligible for a continuance only when there is no surviving spouse or state registered domestic partner, and continue until the child is no longer eligible. Lump sum payments are only in the amount of the member's remaining contributions and interest at the time of the member's death.

<sup>2</sup>Married or state registered domestic partners for at least one year prior to your retirement date.

<sup>3</sup>Under the age of 18, or under the age of 22 if unmarried and in school full time.

<sup>4</sup>The Internal Revenue Code (IRC) limits the percent of continuance that can be paid to a non-spouse beneficiary under Option 2. The percent allowed depends on your age at retirement, and the adjusted age difference between you and your beneficiary. The difference between the IRC limit and 100% is converted to a present value lump sum at the time of your death and is paid in a lump sum to your sole beneficiary.
